

## MORGAN MEMORABILIA

The FP Association has obtained a small range of attractive articles that make ideal keepsakes or to answer that perennial question, "What can I give someone who has everything?"

Has your **House Badge** lost its sparkle? Have you lost it? The gleaming badges have house colours picked out in enamel. These have not changed since you were at school, truly an everlasting memento.

£3

### Commemorative Lapel Badge

A limited edition **commemorative lapel badge** to mark the reopening of the school in November 2004 features the front elevation in gold set between a blue sky and green lawn. Next year when stock is sold out they will be worth ten times today's price.

You don't need to wear your heart on your sleeve or pin your colours to the mast, but you can advertise your *alma mater* by wearing a **Lapel Badge**. A delightful oval badge in dark blue enamel with gold reindeer head, this motif is based on an early design for FP cuff links. Lapel badges are suited to men or women. The badge measures 18 x 12mm with butterfly clutch.

### Cuff links

To match the Lapel Badge **Cuff links** comprise two oval faces connected by a short chain.

Following the success of the 1968 Centenary Sampler, the design has been updated. **Sampler Kits** are now available to while away the evenings. You can create your own tapestry of the front elevation of the school. There is space for your name and the years when you attended school. A border sets off the whole image with corner features depicting the house badges.

The completed sampler measures 250mm x 220mm.

**The full kit** comes complete with fabric, thread, charts and instructions. **£12**

**The starter kit** provides information about fabric and threads required and charts. **£5**

Are you ever faced with having to fill a sheet of writing paper when all you want to do is pen a short note? **Morgan Notecards** are ideal for all these little messages which don't call for a letter.

There are two designs, featuring a line drawing of the School from Baxter Park Terrace or from within Baxter Park. Cards are blank inside and are suitable for all purposes.

Available in mixed Pack of 10 **£3** or mixed Pack of 20 **£5**

*Morgan  
Memories*

Donald B. Stewart was the "Mr Chips" of Morgan Academy. He grew up and lived in its shadow for 78 years from 1895 to 1973. Widely known as "D.B.," and, irreverently, by its scholars, as "Cheesie", he attended the school from 1900 to 1913. He served with the Black Watch in World War One and returned to take an M.A. Degree at St. Andrews University.

After 7 years as a History teacher and House Master at Dollar Academy, D.B. joined the English Department at Morgan in 1931 and was its Principal from 1936 until retirement in 1959.

His support for a wide range of school activities was ever encouraging and enthusiastic. He played football, cricket and hockey, was President of many school Clubs and assisted extra-curricular activities at forestry camps and school cruises.

Donald was an unorthodox teacher with a gift for interpreting Literature and History, locally and nationally. Some of that shrewd appreciation of local history is captured in this review of school days at Morgan Academy in the mid-20th Century.
