Morgan Academy F.P. Association

Morgan Academy's 150th anniversary in 2018 will be celebrated at Dundee's Caird Hall with a grand concert on Sunday 23rd September when well-known former pupils from the world of music and theatre will return to perform in their home city.

The life and work of other renowned FP's from entertainment, sport and academia will also be featured.

The evening will be compered by former pupil Craig Millar of STV.

A grand finale featuring a massed choir and orchestra of present and former pupils will bring the evening to a resounding climax!

This promises to be an entertaining evening for all members of the public but especially for present and former pupils and friends of the school.

"The Morgan – A Celebration of 150 Years" is a unique event which should not be missed!
